1st THANKSGIVING DAY DRAGON BOAT FESTIVAL 2016

Matapang Beach, Tumon, Guam

November 24 to 28, 2016

INFORMATION BULLETIN NO. 1

Guam is a U.S. island territory in Micronesia, in the Western Pacific. It's distinguished by its tropical beaches, Chamorro villages and ancient latte stones (stone pillars). Tumon Bay is a hub with bars, shops and an aquarium. Beaches include Ritidian Point, part of a wildlife refuge, and storied Two Lovers Point. Offshore are dive sites such as Apra Harbor's sunken warships.

The island, part of Micronesia in the Pacific Ocean, bears the influence of several cultures. A Spanish colony until 1898, Guam blends that heritage with its native Chamorro customs, as well as Asian and American cultures. You can visit military sites or explore caves and waterfalls that rival the island's prettiest beaches. Because of its location near the International Date Line, Guam's slogan is: 'Where America's Day Begins'.

Guam ACES Inc., a newly formed Non-Profit Organization, in partnership with the Guam Dragon Boat Federation and fully supported by the Guam Visitors Bureau is holding the 1st Thanksgiving Day Dragon Boat Festival 2016 on November 26 – 27, 2016.

The Festival coincides with the Thanksgiving Day Celebration, an Annual Holiday for the U.S.A. Thanksgiving Day is traditionally a day for families and friends to get together for a special meal. The meal often includes a turkey, stuffing, potatoes, cranberry sauce, gravy, pumpkin pie, and vegetables. Thanksgiving Day is a time for many people to give thanks for what they have.

We are cordially inviting all Crews around the world to participate in this event and experience the beautiful Island of Guam on Thanksgiving day and enjoy the Black Friday Sale!!!
