Practice session, August 26th

✦ Date: 26/8/2017(sat)

Each team may practice for one hour during 13:00 and 16:00.

You must board and get off the boat in this one hour.

✦ Venue: Regatta course is located between runway No. 1 and No.2 within the premises of the airport.

✦ Access: The venue is 5 minutes' walk from the Terminal 2.

There is no coach service for the participants on practice day. Although there is a free coach service to Terminal 2. We appreciate your cooperation on using this bus on practice day. The bus leaves from 1st floor of the Aero Plaza, taking around 8 minutes to Terminal 2.

✧ There will be a free coach service available for the race participants on race day.

✦ Teams are requested to proceed to the information tent at least 10 minutes prior to the expected practice time.

✦ Teams are requested to prepare drinks by themselves at the time of practice.

✦ Tents for changing into your uniforms are arranged by the organizer near the information tent.

✦ It is mandatory to wear floating vests even during the practice. Floating vests are prepared at the practice site by the organizer.

✦ Teams are able to request steerers if they need them on practice and/or race day.

✦ If you are not at the venue by the time of starting, you might not be able to practice.

✦ All teams are requested to follow the instruction of the officials in charge.

✦ Any inquiry on the practice could be contacted to Mr. Nakamura (81-90-5360-6379).
