It is recommended that you book in hotels located near public transport stops that take you to Venice P.le Roma (bus), the Ferrovia (train) and San Zaccaria (ferry boat stop for who comes from Punta Sabbioni).

Do not underestimate the time taken to travel with public transport, in Venice's historical centre you move either by waterbus or on foot.

Organisers

The Festival is organised by the Venice Sport Events Organising Committee in conjunction with Venice Canoe & Dragon Boat A.S.D. www.venicecanoe.com

(follows from the Introduction on pg. 1)

.... including the Italian DB Championships, the annual Venetian End-of-School Year finals, the Students Games and the International Flatwater Canoe and Kayak regatta in Auronzo di Cadore. With our Club based in Venice, what more spectacular place to be able to race in, or simply paddle around.

Our Festival is aimed at both the professional racing teams and also for who just love to paddle for fun.

This Festival has been designed to fit in with another just as spectacular event held annually in Venice – the Vogalonga – a 33km non-competitive rowing event now in its 45th edition, that sees thousands of rowers and paddlers from all over the world snake through the Northern Lagoon and along the Grand Canal in a myriad of colourful boats of all shapes and sizes (dragon boats included, of course!)

This, we believe, gives paddlers the opportunity to not only participate in two memorable events, both spectacular in their surroundings, but also to visit in what is a unique city – Venice.

See You in Venice!
